Pending My Reply

The next move is waiting on the user, not an external party.

→ Confirm facts, evidence, and intended tone before replying.

Waiting on Others

4

Waiting on Others

Progress depends on vendors, vessel teams, owners, class, or management.

→ Decide which items need a follow-up or escalation.

Decision Required

2

Decision Required

Work cannot move cleanly without a choice or documented instruction.

→ Capture the options, evidence, and recommended decision.

Drafts Ready

2

Drafts Ready

Draft responses are waiting for user review before any external use.

Needs Evidence

The case needs documents, screenshots, EMLs, or notes before action is reliable.

→ Attach or paste the missing supporting material.

Urgent Attention Queue

Items that need immediate review because they may create operational or commercial exposure.

Pending My Reply

Class survey request needs a controlled technical reply.

LPG ALFRED TEMILE 10

Vessel correspondence currently under AT10.

WHAT IS IT?
Class survey request needs a controlled technical reply.

WHO IS WAITING?
We are waiting on final evidence and the user’s reply.

WHY IT MATTERS
A delayed or weak response could create technical or commercial exposure for the vessel.

SUGGESTED NEXT ACTION
Pull the latest photos, confirm the repair note, and prepare a short holding response.

Waiting on Vessel

Docking measurement comments still need a vessel confirmation.

LNG PORTHARCOURT II

Vessel correspondence under LNG PORTHARCOURT II.

WHAT IS IT?

Docking measurement comments still need a vessel confirmation.

WHO IS WAITING?

We are waiting on the vessel team to confirm the last set of measurements.

WHY IT MATTERS

If the measurements remain unresolved, the shipyard conversation can stall and delay close-out.

SUGGESTED NEXT ACTION

Check the latest vessel feedback and attach the measurement evidence before replying.

Vendor quotation needs a simple scope clarification.

PROJECTS

Project correspondence under Projects.

WHAT IS IT?

Vendor quotation needs a simple scope clarification.

WHO IS WAITING?

The vendor is waiting on us to confirm the delivery term scope.

WHY IT MATTERS

The procurement decision could be priced incorrectly if the scope is answered loosely.

SUGGESTED NEXT ACTION

Confirm the commercial scope, then prepare a concise written reply.

WHY IT MATTERS

The note could go out with the wrong tone if it is not checked before response.

SUGGESTED NEXT ACTION

Review the note wording and decide whether it should become a draft response.
